Registered 501(c)(3)

## Now located in Monroe Scootersplace.org

Scooter's Place is a local non-profit organization serving the children in the NW community, especially those who need just a little more patience, including children on the Autism spectrum, children with anxiety disorders and those with Down's Syndrome. Scooter's Place is neither a therapeutic barn nor a mainstream barn, but somewhere in between, offering a fun and flexible, but structured and safe environment to learn in. We offer horsemanship education that teaches life skills, self-confidence, and body awareness in a non restrictive and non-judgmental barn environment.
